

Unfinished resort complex in Albena

📍 Albena | Албена, Varna | Варна

Covered

📏 **31763 m²**

Type

Hotel

Price: Upon request

The property is located in the recreational area Fish-Fish, next to Albena resort, in the eastern part of Bulgaria along the Black Sea Coast near the city of Varna, Bulgaria's third largest city and the main resort destination in the country. The property is located on a secluded hilltop site, away from other touristic developments. The beach is accessible by a shuttle bus (a 5-minute drive) or via a 20-minute walk.

The property is developed as a resort complex and offers 326 units
